

All your files in one secure location, accessible anywhere.

Fylo stores your most important files in one secure location. Access them wherever you need, share and collaborate with friends, family, and co-workers.

Get started

Stay productive, wherever you are

Never let location be an issue when accessing your files. Fylo has you covered for all of your file storage needs.

Securely share files and folders with friends, family and colleagues for live collaboration. No email attachments required!
